Projects of Last Week

A two day training programme was conducted by Col Banu Praksh to 13 Young men from Maddur under the dream village project on 17th and 18th of this month.

A two day workshop on Autism and learning disabilities was held at Rotary Centre for the teachers to identify students with Autism and other Learning Disabilities.

Rotary Chandrakala Blood Bank is working overtime as the demand for platelets has increased by a huge quantity and we request our members to utilize these facilities if needed for patients of Dengue Fever.

A fellowship trip was organized to Bhimeshwari Fishing camp on Saturday, 18th and Sunday, 19th July'09. We also visited Gaganachukki on the return journey. It was a very enjoyable outing. We hope to have a few more.

Health and Wellness

Tummy troubles and treatment: Is that terrible tummy ache taking the wind out of your sails? Making you sleepless, stressed, and irritable? Well, it's not just your mind that is irritated but something deep down in your belly your bowel! Get up and get cracking

A complex breakfast can keep kids mentally healthy : The child's breakfast should be nutritious so that they do not get into depression.
